

Cloud document management and business process automation.

UPLEVEL FOR INTACCT COMBINES THE POWER OF INTACCT WITH CLOUD DOCUMENT MANAGEMENT AND BUSINESS PROCESS AUTOMATION

ELIMINATE PAPER & INCREASE SPEED

Scan, fax, email, upload or print documents and file to Uplevel and easily access them from Intacct. By centralizing the capture of invoices, you can eliminate duplicate data entry and find documents easily.

FORGET MANUAL DATA ENTRY

Automate data entry by utilizing Uplevel's Zonal OCR and barcode scanning capabilities. Optical Character Recognition (OCR) technology "reads" invoices and other documents and enters key information into attributes for you. Data is sent to Intacct to create the AP Bill, so no need to enter data twice.

SELECT INTACCT FIELDS FROM UPLEVEL

Use drop-down menus to choose Vendor Codes, GL Accounts, Departments and other fields maintained in Intacct. Split invoices as many times as needed and generate the AP Bill in Intacct without ever leaving Uplevel.

IMPROVE PROCESSING OF INVOICES & PAYMENTS

Automatically route invoices and purchase orders through rules-based workflows and monitor status at all stages of your process. View related documents automatically grouped together such as invoices, POs, and receipts.

REDUCE YOUR AP PROCESSING TIME BY 40% AND GET ROI AS QUICKLY AS 2 MONTHS

Uplevel customers have been able to cut their AP processing time by 40% and see a return on their investment in as quickly as two months. Many of its customers are able to seamlessly integrate Uplevel with existing software, making their operations more efficient. Uplevel's powerful cloud document management and business process automation saves their customers time and money.

AUTOMATE ROUTING OF INVOICES WITH ADVANCED WORKFLOWS

Utilize Uplevel's powerful rules-based workflow automation and create Intacct entries directly from Uplevel as part of a workflow.

SIMPLIFY YOUR REVIEW & AUDIT PROCESS

Track changes and approvals with an automatically generated detailed audit history. Easily find and print this history for audit compliance and save yourself time and money.
